Dear Abbie,

It's September and that means school is in session. So sharpen your pencils folks, this fall I'm teaching a new course!

"Managing the Arts in a Changing World, a Learning Experience for Nonprofit Arts Managers" is a twelve class, six month, peer-to-peer practitioner-based classroom learning experience based on the text *Fundamentals of Arts Management* and other materials. The goal of the program is to strengthen the leadership and technical skill-sets of the leaders of nonprofit arts organizations in Connecticut, Massachusetts and beyond.

The class starts October 19 through March 29, 2011, and meets at the [University of Connecticut](#), Torrington every two weeks on Tuesdays from 5-8pm.

As always, *a von schlegell & co* is available to assist you in your fundraising, governance and program needs.

Sincerely,

Abbie J. von Schlegell
